

ATLANTA FACES *of* DESIGN

BEVERLY BARIBAULT

Beverly Baribault is the principal and lead designer of her Georgia-based company, Beverly Baribault Design Group. Her background includes experience in visual merchandising, store planning, and design. She excels in creating beautiful and functional spaces for residential, commercial, and hospitality clients throughout the southeast and around the country. Beverly Baribault Design Group's mission is to find the one design that best expresses the client's vision for their home. She strives to design a space that is uniquely personal to each client taking into consideration the client's style, needs, and a beautiful design. In addition, Beverly has designed patented furniture, soft goods, and has her own online store BBDGstore.com, where her products are highlighted. Beverly's work has been featured in local, national and international publications. In addition, she manages the BBDG team including lead designer, Stacey Pelfrey, two design assistants, Michelle Cline and Alyssa Grady, and an office manager / art director, Linda Hamilton. Together this team brings the client's personalized design concept to a reality.
